# Everyday allergy relief

Are you living with asthma? Here are some common questions answered, to help support your day-to-day breathing:

**Q:** I've noticed more wheezing or tightness in my chest when my hay fever is worse, is this common?

**A:** Yes, allergy triggers can affect both the nose and lungs, which may lead to increased asthma symptoms.

**Q:** Should I review my asthma action plan regularly?

**A:** Yes, this helps ensure you're managing symptoms effectively throughout the year. A pharmacist or doctor can help you check that your plan is up to date.

**Q:** Are there approaches that can help manage both asthma and hay fever at the same time?

**A:** Yes, keeping hay fever under control can make asthma easier to manage. A pharmacist or doctor can help discuss suitable options.
